

EMPLOYERS

The Maui AJC is here to assist job seekers and employers. We aim to connect businesses and community members in Maui County. Employers are able to:

- Connect with job seekers
- Participate in programs such as employee training and job fairs
- Receive lay-off aversion aid
- Utilize assistive disability technology accommodations
- Access labor market statistics

JOB SEEKERS

The Maui AJC provides individualized career services and planning through skill assessments and training opportunities. The partners and staff strive to provide access and opportunities to all job seekers, including individuals with barriers to employment, such as individuals with disabilities, individuals who are English language learners, and individuals who have low levels of literacy to prepare for, obtain, retain, and advance in high-quality jobs and high-demand careers.

Here you will find workforce preparation, adult education, entrepreneurial training, apprenticeships, and access to the complete set of employment tools.

WHO WE ARE

The Maui American Job Center is a one-stop center that provides free employment training services to job seekers and assists employers who are looking to hire or train employees. The Maui American Job Center is operated by the County of Maui and overseen by Maui County Workforce Development Board.

We provide:

- Employer resources such as recruitment assistance, training, and outplacement
- Job seekers services such as job training, financial assistance, and career guidance
- Youth services such as life skills, education, and job training

OUR MISSION

To connect businesses and community members to support individual and organizational growth and capacity; improve career and employment opportunities, and to provide high-quality services that promote economic prosperity and stability within the County of Maui.

MAUI COUNTY VIRTUAL JOB FAIR

MCVJF was created to offer employers a virtual opportunity to connect with Job Seekers that have become available during the small business landscape shift.

This website promotes training resources via the Maui County Workforce Development Board, University of Hawaii Office of Extended Learning, and the Partners of Maui American Job Center.

These training opportunities are to assist transitional applicants moving from one sector to another or those wanting to upskill in their current field.
